

Getting to Denver Seminary from Denver International Airport (DIA)

[About the Light Rail](#) at the Airport .

Getting to the train from inside the airport is a breeze. Just walk over to the American Flag security line and exit the building onto the escalators that will take you down to the platform.

Walk to Denver Airport Station
About 5 mins

Denver Airport Station

A Train towards Union Station
(37 mins, 7 stops)

Tickets can be purchased at the kiosks on the Platform and cost \$9.00. (Make sure to buy a full price ticket as there are various types of tickets for more frequent travelers.)

You will have to change trains at Union Station in downtown Denver to make it the rest of the way to the Seminary. Just hop on any C Line train headed for Mineral station.

Union Station

C Light rail towards C-Line Mineral
(24 mins, 10 stops)

Note: At some times of night it may be necessary to take the bus or walk from Union Station to the 16th Street Mall station when the C Line is not running at Union Station.

You will want to get off at Old Town Littleton or the Littleton/Downtown Station which is one stop shy of the end of the line/Mineral Station.

From there you can either grab an Uber or walk the rest of the way to campus. We are about a mile and a half from the Littleton/Downtown Station. We suggest that walk as you can stick almost entirely to a lovely trail that follow the river to our “back doorstep”. It’s a great way to get a feel for our location, take in some fresh air, and view the mountains before arriving.
